The Honorable Jeb Bush

PL 05 The Capitol
Tallahassee, Florida 32399-0001

Dear Governor Bush:

The Florida Substance Abuse and Mental Health Corporation was created by the Legislature to review the status of the state's substance abuse and mental health service delivery system and make recommendations on improving services to persons with substance abuse problems and mental illnesses. It has been my pleasure to work with this very knowledgeable group over the past two years.

In compliance with the provisions of s. 394.655(10), Florida Statutes, please accept this letter as certification that the Department of Children and Families and the Corporation are complying with the provisions of the Memorandum of Agreement required by the statute in a manner that is consistent with the goals and purposes of the Corporation and the best interests of the State of Florida.

Sincerely,

Lucy D. Hadi
Secretary
